Press Release
WRTD Fare change effective on May 6, 2019

The Windham Region Transit District (WRTD) will be implementing new fares on Monday, May 6, 2019. This move follows a period of public outreach and comment period in January 2019.

The biggest change is the introduction of the new Ten Punch Pass. This one pass can be used for fixed routes, Dial-A-Ride and ADA, providing significant discounts and flexibility for riders. Other changes include:

- Dial-A-Ride will have one fare for adults and disabled making it easier to pay
- Seniors will be able to ride for just a donation on local routes
- A new Disabled Local Monthly Pass enables discounts for our disabled passengers

Please see the attached listing which details all fares and passes that will be in effect from May 6, 2019 onwards. Other than the changes listed above, many of the single fares will stay the same.

More details about the new fares and passes will be released over the next month at www.wrtd.org/fares, through the WRTD listserv, facebook, twitter and other sources. Information can also be mailed upon request. If you have questions, please email info@wrtd.org or call 860-456-2223
