What changed in Version 1.2

- 674A: the Mon-Fri 22:40 trip is removed. It is struck through in Teams (late-night run suspended) and has not run this fall.
- 674A and 671A: the notes about a Saturday late-night run are removed. That run is permanently canceled.
- 991 Trips 1 and 6: Gateway Commons departures corrected to 5:19 and 22:44 (Windham Heights 5:30 and 22:55), matching the July 2026 change and Passio. Both trips also stop at Route 66 at Tuckie.
- 676: the 11:00 to 13:20 midday trips are removed (struck through in Teams). Service pauses between the 10:25 and 13:55 trips.
- 991: the 10:15 and 17:15 trips from Windham (Runs 3 and 5) now show the 5-minute hold at Norwich Transportation Center for the SEAT connection (shaded).

671B City Bus - Counter Clockwise - Snow/Ice Route

Timepoints - Fall 2026 | Version 1.2

Note: The mid-day no service M-Sat time still has CityBus coverage going the opposite direction to riders, so service is still available in Willimantic, just at lesser frequency during that time block. On Sundays the "No Service" time block is a "split", meaning there is no service at all.

674B Storrs - Willimantic Express

Timepoints - Fall 2026 | Version 1.2

674B - Storrs-Willimantic Express (Operated by WRTD) This service is operated by both WRTD and UConn. The UConn bus runs one way only with the demand pattern (the demand is northbound in AM and southbound in PM). WRTD runs its own Express runs as well. This route is similar to the 674A pattern, however it does not stop at the NZTC on its way north to campus, but it does stop at the NZTC southbound. Thie route has a coordinate transfer at the Rosebrooks house with Hunting Lodge, the buses should not wait more than 4 minutes past their set timepoint for each other
